

COPDOCK AND WASHBROOK LADIES GROUP

Report for Copdock & Washbrook Parish Council Annual Meeting 7th May 2024

This is our first year of being called Copdock and Washbrook Ladies Group after severing ties with the WI. We have had a successful year and continue gaining new members. We meet on the third Tuesday of the month in the village hall, Copdock at 7.30pm. We do not meet in August as many people are away, so we arrange an outing for all to join if they wish instead of a meeting.

Throughout the year we organise various events, talks, outings, craft activities and social evenings that hopefully are interesting to the whole group. We are always pleased to have comments and ideas for speakers or events. We also have a book club, lunch club and a Whist Drive.

Our next Ladies Group meeting is on Tuesday 21st May and the talk will be on 'Being a Bluebell Girl' Our next outing is on Wednesday 22nd May on the Victor barge. We take our own picnic and hopefully the weather is good so we can have a lovely sail down the river.
