6. Matters Arising from the Minutes of the Parish Council Meeting of October 8, 2024

Re. min. no. 2691/2425 & 2708/2425 having accepted the invitation from BDC for them to arrange the annual safety inspections of the Copdock and Washbrook play areas, I'd asked if the inspection of the swing and slide at the village hall could be incorporated with either Fen View or Mill Lane play areas, or it be undertaken at a reduced cost. Having chased BDC for a response, they have advised that the inspection of the play equipment at the village hall will have to be separate to the others, and that a reduced cost can't be offered.

OTHER MATTERS

SALC Training – I attended the SALC training session for 'Councillor Code of Conduct' on 17 October and found it to be very worthwhile. If you'd like to take a look at what was covered during the session, I've downloaded the toolkit and have included it in the Shared Folder.

Just to remind you all – have circumstances changed since you completed your Register of Members' Interest, and does it need updating? You can view or register on the Babergh DC website -

If you need to change any of the details, please complete the template in the meeting Shared Folder and return to me, many thanks.

S.I.D.s – the two new speed indicator devices have been added to the insurance schedule; there is no additional insurance premium due.
