Other Matters

A resident of Old London Road has advised the Parish Council that they have contacted Babergh District Council concerning a noise complaint. The resident is complaining that they are hearing a low humming noise, inside and outside of their property, 24/7 and since March 2026. BDC has investigated the complaint but so far cannot find the source; BWV has been ruled out.

The resident contacted CWPC to ask if anyone else had made us aware of the nuisance; the Parish Council has not been made aware of this issue from anyone else.
